

Lokk•Bolt®

Lockable, Stainless Steel Privacy & Security Drop Bolt

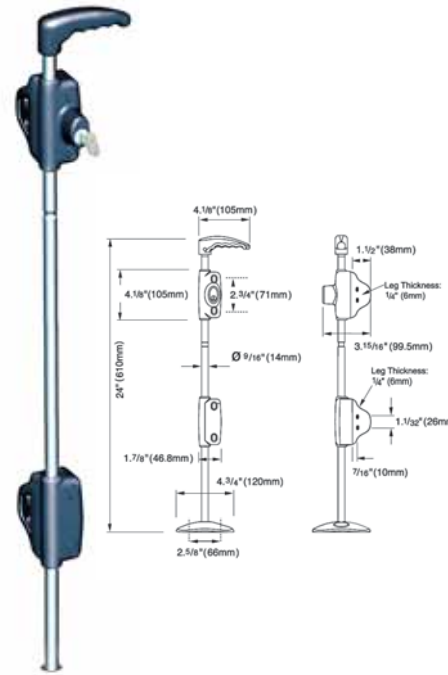

This cane-bolt is a superbly stylish and long-lasting privacy & security drop-bolt made from super-tough engineering polymers and 316-grade stainless steel rod. This key-lockable device is 24" long and is quick and easy to install.

The clever bolt retention grooves mean this cane-bolt will never drop, drag, bend or grind across driveways!

It can be keyed-alike to most doors (by a professional locksmith).

Magna•Latch®

Use the Safest Magnetic Safety Gate Latch

The world famous MAGNA•LATCH is a revolutionary breakthrough in latching security for gates around swimming pools, homes and child safety areas.

Powered by super-strong “Permanent Magnets” which never lose power, these quality latches incur no mechanical resistance to closure and so offer unprecedented reliability, safety and child resistance.

It is very easy to adjust both vertically and horizontally from 3/8" to 1-7/16" (9–37mm)
